Memorandum

Under Govt Proceedings dated 7 June 1892 cl No 4253-4 / L 527, the limit of sanction of the Dy Comrs for all works executed from District Funds and Local Funds General is up to Rs 200. It has come to the notice of Government that some Dy Comrs sanction, on their own authority, works costing Rs 200 and upward on the ground that the excess cost over their limit of sanction is expected as contribution ~~from property owners~~ in labor or money from ryots. This is not right. In the future, detailed estimates should be submitted for all works costing Rs 200 and upwards, irrespective of any contribution promised or recovered from ryots. In submitting ~~to~~ Estimates, the ~~Dy Comrs the total cost of works,~~ the amount of contribution may however be deducted from the total cost of each work.
